Name.com Voucher

Your Name.com voucher benefit.

Student Ambassadors who advance to Alpha milestone are eligible to receive a Name.com voucher that can be used to secure a one-year customized domain name registration from Name.com. Add-on's (i.e. Web Hosting, Website Building, SiteLock, etc.) are not covered by this benefit.

How do I obtain the Name.com voucher?

Wednesday of each week, the Name.com voucher workflow will be triggered. Student Ambassadors who advanced to Alpha milestone will be included in this workflow.

On average, it takes 14 business days from the time you completed the learning path and advanced to Alpha to the time the workflow is triggered and your Name.com voucher is emailed.

When the workflow is triggered, [SA-Help](#) will send an email to your @studentambassadors account with information about the Name.com voucher.

Are there any restrictions with the voucher?

Each alpha-numeric code may be used to purchase one annual domain name registration. Once the domain name registration is purchased, the voucher becomes void and cannot be reused.

The voucher is not valid if altered or revised in any way and cannot be redeemed for cash, credit, or a refund.

Please be mindful of the voucher expiration date detailed in the Name.com voucher delivery email. The voucher must be redeemed by this date. Name.com will not make exceptions.

How do I redeem the voucher?

To reserve your customized domain name, go to [Name.com](#). Top Level Domains (TLDs) available from the site are listed at the bottom of the page in the gray box.

Welcome Microsoft Learn Student Ambassadors!

As an Alpha Student Ambassador you've earned yourself a free domain.

Find your domain from the list below or simply search by keyword for your free domain name.

Search

Name.com has partnered with Microsoft to offer members of the Microsoft Learn Student Ambassadors program a free domain name. You can choose your domain name from a list of 25 eligible Top-Level Domains, and your free first-year registration also includes privacy protection and an SSL certificate.

To redeem our offer, you need to have a unique promo code sent to you via the Microsoft Learn Student Ambassador program.

There will be a tutorial here.

If you are interested in a specific TLD and you search directly for that name, it will be listed at the top of the search results for easy selection.

Only the 25 TLDs listed on the [Name.com](https://www.name.com) offer site are eligible for purchase with the Student Ambassadors voucher.

After you've found your dream domain, click the blue box *Add to Cart* and then click the gray box *Checkout*.

There are several Add-ons you can purchase to upgrade your domain. Add-on's (i.e. Web Hosting, Website Building, SiteLock, etc.) are not covered by the benefit and must be paid for out of pocket by the Student Ambassador.

Select Add-ons (if any) and then click *Next Step: Checkout*. This will bring you to *Review Cart Items*. Enter your voucher code in the field at the bottom and click the *Apply Promo* button.

If you apply your voucher code but do not see the discount reflected in the price of the one-year domain name registration, confirm that you have (1.) Entered the correct code correctly; and, (2.) selected a TLDs from the list of 25 eligible TLDs.
